Ever since its initiation, this legendary institution has constantly been providing talented human capital to the national mainstream. Most of the old students of DPS are now in high profile leadership roles in their specific fields. Recently, an alumni get-together was arranged for the class of 1975 to relive and commemorate their precious moments at the institution. The then Principal Dr. Mushtaq Ahmad Akhtar and the English Teacher of the class Mr. Qadeer Baig were invited. A proper Students' Assembly was conducted and a short lecture was delivered in the classroom. The alumni relived their past and enjoyed every moment of the ceremony. Hats off to Principal Shala Malik for having taken this initiative for the first time ever in the history of DPS.
